

# What is Business Flex?

**Riverside Transport Inc, in conjunction with T-Mobile, is now offering high-value mobile rate plans and devices to employees at a fraction of the cost of standard wireless consumer plans. This program is called Business Flex.**

## What does Business Flex include?

- Unlimited T-Mobile talk, text and data
- Flat rate, low- cost monthly plan pricing
- Low-cost, certified pre-owned device selections
- No contracts, cancel whenever you want
- Pay via secure, online credit card payments

## How much does it cost?

- \$23 flat monthly charge for unlimited cellular service, taxes and service fees
- Initial service activation charge of \$46 for first month and one month security deposit
- Recurring post-pay monthly charge begins after the 2nd full month of service

## Do I have to buy a new device?

Business Flex is available for the following cases:

- Port an existing device from another carrier
- Activate an unlocked device on Business Flex (BYOD)
- Buy a certified pre-owned device with 30-day return on activation
- Transfer from an existing T-Mobile personal account

## Ordering Business Flex Service

- Click 'Terms and Conditions' to enable ordering options
- Choose order by category/color tile
  - New Equipment - order new device and new service
  - Port Device - transfer from existing number/carrier
  - Existing Device - order new service for inactive device
- Bring your own device (BYOD) requires a T-Mobile SIM. Order a SIM if you do not have one.
